

A photograph of a stone bridge with a semi-circular arch, surrounded by dense green foliage and large rocks. The bridge is constructed from grey stone blocks and has a curved parapet. The scene is set in a lush, green environment with large rocks in the foreground and dense trees in the background.

As they say, things improve with age, and the 1979 girls' track team is a fine example. Moving up in the league from 9th to 8th and sending two girls to the districts, proved their new abilities. Many new school records were broken, and both the girls and Mr. English were pleased with the season.

Following the track season, a banquet was held in honor of the athletes. Special awards were given as follows: Most Valuable — Lisa Carroll, Most Improved — Kathy Shanrock. Also recognized were Trisha Walter and Mickey Griffen. Both girls advanced on to districts.

Spirit Week is an exciting time for all the classes in the school. Each grade is assigned a hall and they decorate it to the best of their ability. This year the Seniors' "Senior Circus" won, but no one was disappointed as fun was had in preparing their halls for the judging. Shown to the right are two seniors on clash day.

Homecoming Goes Disco

Homecoming didn't come into the year in its usual way, instead, student council got it underway with a spirit week. The rousing week started with a jersey day, when all the students felt at ease while wearing their "grubbies". Button and hat day progressed with Mrs. Morrison in her siren hard hat which clashed with Paul Esterline in his antique war hat. The next day we all looked sophisticated because Wednesday was tie day. Thursday was clash day which turned the school into a circus with its bright and gaudy colors. Then the last day was our old alma mater of green and white day. The week was a success, and fun for everyone. The week's preparation came to a grand finale Friday night when the Panthers took on the Liberty Center Tigers. During the pre-game festivities the homecoming queen and her court were gallantly escorted across the field by their fathers. Queen Julie Noss was honored by her senior court attendants Michele Brunner and Kay Yoder, Junior attendants Denise Putman and Barb Shelt, Sophomore Sue Peebles, Freshman Lori Gerken.

As the game got underway the men in green scored the first touchdown and led the entire game with a halftime score of 21-0. The Tigers scored then in the final quarter but it wasn't enough to defeat the Panthers. The final score was a glorious victory of 21-8.

Ceremonies got underway with the theme, "Somewhere over the Rainbow". Junior class president, Chris Bronson announcing the queen and her court, and Tara Gage as the crown bearer. After all presentations were made, the new Queen gave her acceptance speech and the first dance of the evening was underway.

With the beat of today, the Juniors decided to have a disc jockey in place of a band. Some disco jives were played as well as some slow ones, and a great time was shared by all.

Student Council

Student council organized various assemblies for the student body. Four musical groups performed, Sunshine Express, Freedom Jam, Ohio State Jazz Band and a group from the U.S. Army.

They also were responsible for sponsoring Spirit Week and 50's day. Students and teachers took part and thoroughly enjoyed these activities.

Junior Senior Prom 1979

The 1979 Junior-Senior Prom was held on Saturday, May 5. The setting was in a park full of benches, an old-fashioned popcorn machine, and a romantic fountain. The juniors worked hard all day trying to capture the theme of "Saturday in the Park".

The prom began at 9:00 PM at the Knights of Columbus hall in Swanton. Music was provided by Penny Arcade. After the formal festivities, everybody moved on to the Star Auto Theatre, where the movie "Every Which Way But Loose" was shown. Everyone then went to the high school where an informal dance was held. A disc jockey played many different types of music. Breakfast was served.

The Delta high school band had a busy season. Mr. Jeff Blanchard became the new director after having taught three years at Edgerton Local Schools. At band camp, Camp Wesley in Bellefontaine, Ohio, our band worked hard in preparing for their football shows. The football spectators saw fifty band members perform pregame and halftime entertainment for ten games. This year's pep band consisted of twenty-four selected players who cheered the Panthers on. The flag corps and majorettes combined their groups to provide halftime shows for the basketball games.

Concert band season started in mid-November with the December Christmas Concert as their first performance. After Christmas vacation they prepared for District Band contest held at Rogers High School, Toledo. Several band members also participated in District Solo and ensemble contest March 3 in Bowling Green. The band finished the school year with their annual Spring concert in May.

The choir began its 1978-79 concert season with a fall concert in November. The concert featured selections by the men in *Good News* and the women in *Close to You*.

To encourage the community to support the music department, concerts were changed from Thursday evenings to Sunday afternoons. This greatly improved the attendance as we presented our Christmas Concert before an audience of nearly 350 people. The highlight of the Christmas concert was the candlelight processional in the darkened high school gym. Many found this to be very inspirational as the choir sang *O Come, O Come Emmanuel*.

Following Christmas vacation, we began to prepare for District I Solo and Ensemble contest. Twenty-one students participated as a soloist or in an ensemble. Rehearsals for Band and Choir contest also began.

A choral clinic directed by Richard Mathey of Bowling Green State University was included to aid in preparation for March 17, contest day.

The choir presented their three contest selections in an assembly before the student body giving them the opportunity to perform to an audience, other than judges. The choir had prepared well and received a rating of II or excellent. Miss Smith was impressed with their performance, noting the great improvement demonstrated throughout the year.

The choir contributed musical selections at the community, Thanksgiving and Good Friday church services. They also sang at the Delta Church of Christ in April for their worship service.

We completed the school year with a spring concert held in conjunction with the band. The audience was entertained with *We'll Never Have to Say Goodbye Again . . . Best of the Beach Boys*. The concert concluded with the choir singing Benediction while encircling the audience.

During a hectic Christmas season, the Del-Aires performed at Valleywood Country Club, Raker Church, and on Time-Out for Teens program on WHFD radio in Archbold. They were also featured with the choir at fall, Christmas and spring concerts.

The highlight of their performances this year was a weekend tour in April to Findly and Capital University in Columbus. While in Findly they presented a musical assembly to the junior and senior high school. In Columbus they entertained a large group in a coffee shop and performed for the campus workshop services.
